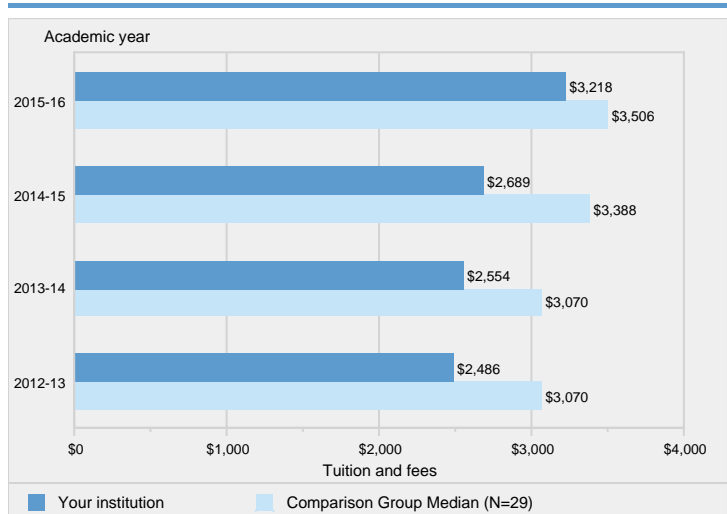

Figure 5. Average net price of attendance for full-time, first-time degree/certificate-seeking undergraduate students, who were awarded grant or scholarship aid: 2012-13 to 2014-15

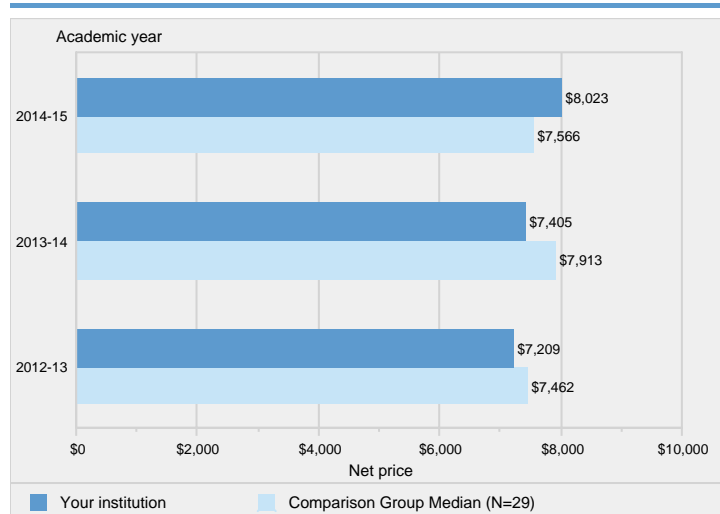

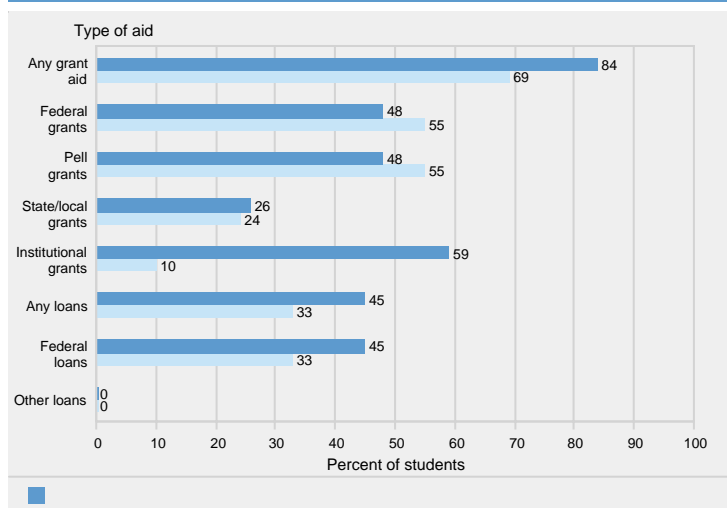

Figure 6. Percent of full-time, first-time degree/certificate-seeking undergraduate students who were awarded grant or scholarship aid from the federal government, state/local government, or the institution, or loans, by type of aid: 2014-15

UVU's financial aid office provides information on the types of aid available to students. The chart shows that 84% of students at UVU received any form of grant aid, compared to 69% for the comparison group. Federal grants and Pell grants were awarded to 48% of students at UVU, compared to 55% for the comparison group. State/local grants were awarded to 26% of students at UVU, compared to 24% for the comparison group. Institutional grants were awarded to 10% of students at UVU, compared to 59% for the comparison group. Any form of loan was awarded to 45% of students at UVU, compared to 33% for the comparison group. Federal loans were awarded to 45% of students at UVU, compared to 33% for the comparison group. Other loans were awarded to 0% of students at UVU, compared to 0% for the comparison group.
