

Criminal Justice Study Program in Ireland

Study Abroad Program - May 18-28, 2025

Highlights include:

Internationalize your perspective on Criminal Justice

Ireland has a fascinating and rich history which includes legal and judicial narratives that pre-date and lend perspective to contemporary systems. There are also narratives that are shared with communities in the United States- colonization, poverty, migration, transportation and perspective issues to consider when working in the area of justice.

This course explores Ireland's justice system - from Gaelic Ireland to British & 'Troubles'. Learn how the country has grown from its past.

in association with
